

We are hiring!

Evaluation officer

SRS Certification GmbH is a leading certification body with extensive experience in agricultural research, teaching, and certification services. We provide certification equivalent to major international organic standards, including EU Organic, USDA NOP, and Organic JAS. Our mission is to promote organic farming, sustainable production, and integrity in the supply chain to protect the environment and deliver healthy food.

Qualifications:

- Bachelor's or Master's degree in agriculture, environmental science, food technology, or a related field.
- Experience in organic certification, quality assurance, or compliance is a strong advantage.
- Excellent analytical skills and attention to detail.
- Strong communication skills in English are essential for this position. Additionally, proficiency in German, at a minimum of B1 level or its equivalent, is required.
- Ability to work both independently and collaboratively within a team.
- Knowledge of international organic standards (e.g., EU Organic, USDA NOP, or others) would be highly beneficial for this role.

Key Responsibilities:

- Evaluate certification applications and audit reports against international organic standards
- Communicate with clients, auditors, and certification teams to resolve compliance issues.
- Prepare technical reviews and detailed evaluation reports.
- Stay updated on changes to organic standards and regulations.
- Contribute to improving certification procedures and processes.

What we offer:

- **Flexible work options:** Part-time or full-time.
- **Growth opportunities:** Training and certifications provided.
- **Supportive environment:** Collaborative and inclusive workplace.
- **Global impact:** Contribute to sustainable and ethical practices.
